Supplement Edition - 2

When I summarized “Surfactant for Pesticide Formulation, Basic Guide for Various Pesticide Formulation” at 2011, Supplement Edition was issued to fill lack of content for several Chapter. But still some parts were not enough to explain detail of each items. This is because, “Supplement Edition – 2 is issued to compensate the content again.

At Toyohashi, unusual, confused society because of COVID 19 (Corona Virus) August 02, 2020.
